## PROFESSIONAL EXPERIENCE

### Industrial and Commercial Bank of China (ICBC), Henan, China

June 2015-August 2015

#### Credit Analyst Intern

- Conducted due diligence on credit applicants, reviewed financial statements and credit history of multiple firms, ran original risk rating algorithm using ICBC's risk analysis software to recommend credit lines to senior credit officers for 10+ clients.
- Coordinated with credit analysts to review credit statistics, including leverage ratios, liquidity, and funding capacity for Chinese mining and small businesses; resulted in five approved loans (average of \$1,000,000) for capital expenditures and regional expansion.
- Assisted senior manager in loan approval process and post-loan management, including investigating client financial statements, and conducting potential risk forecasting of sub-prime loans; helped identify non-performing loans and provided performance reports on clients for risk mitigation.

### Pingdingshan Tianan Coal Mining Co., Ltd., Henan, China

June 2013-August 2013

#### Accounting Intern

- Recorded journal entries for cash payments, receivables, and payables and assisted in monthly declaration of value-added tax, corporate sales tax and individual income tax.
- Collaborated with a team of five to reconcile accounts for material costs allocation lists on a regular basis, monitored corporate expenditures, reported extraordinary items to ensure consumption was within a \$20,000 budget.
- Fulfilled all tasks with no errors during tenure and prepared accurate data for financial statements and financial analysis reports.
