Student Web Assistant/Designer at UMD Resident Life **6/1/2016 - Present**

Responsible for the creation, upkeep, and design of the department's web pages, guidebook application; e-mail marketing campaigns, and the management of University Counseling Center website.

Mentor at CoderDojo NOVA, Springfield, VA **11/2015 – 05/2016**

Teach kids from ages 8-12 elementary programming skills in Scratch (a user-friendly language created for kids)

Computer Science Courses

- Object Oriented Programming (JAVA)
 - Discrete Structures
 - Introduction to Computer Systems (C programming)
 - Algorithms
 - Organization of Programming Languages (Ocaml, Prolog, and Ruby)
 - Design and Analysis of computer algorithms
 - Introduction to Advance JavaScript
 - Introduction to PHP, MySQL, and Apache
 - Advance Discrete Structures
 - Computer Systems Architecture (currently enrolled)
 - Data Structures (currently enrolled)
-

Other Experience

- UMD Club Rugby: 09/2016 – Present
 - The National Society of Leadership and Success; Sigma Alpha Pi UMD Chapter: 06/2016-Present
 - VCU Phi Eta Sigma Honors Society: 2013-2015
 - 50+ hours of community service hours at The Gardens at Fair Oaks, Nursing Center, Fairfax VA: 2012-2013
-

Other Skills

- Ability to work independently as well as in a team.
- Great leadership skills, self-Motivated, quick learner, hardworking, and technically savvy.
- Strong oral and written communication skills.
- Possess creative and innovative ideas.
- Ability to prioritize tasks & effectively manage skills with little supervision.
